

SOCIAL WORK

2017-2018 Catalog Year

Social Workers help individuals to find resources, within themselves and within their environment, so that they can meet their needs, accomplish their goals and resolve their problems. Social workers also work with social groups and organizations, striving to make them more responsive and helpful to the individuals they serve. Check out the Social Work Website at hps.unt.edu/socialwork for more information about faculty, course descriptions, employment opportunities and links to other related sites such as licensing. The HPS Office of Student Services assists students with degree planning.

The Bachelor of Social Work degree from the University of North Texas consists of 120 college credit hours. The degree requires 33 hours of general academics, 9 pre-major hours, 46 hours in major and 32 hours of general electives. A minimum GPA of 2.25 is required to graduate with a Bachelor's of Social Work degree.
