The Public Administration minor is designed to introduce students to the study and practice of managing government agencies and non-profit organizations. Courses offer an examination of the planning, implementation and valuation of the partnerships, leadership styles, organizational systems and other resources needed for effective management of programs, agencies, and other large-scale organizations.

A minor in Public Administration requires 18 semester credit hours. 6 hours of required courses and 12 additional semester hours, 9 of which must be at upper-division level. Up to 6 hours of the minor may be in Emergency Administration and Planning.

A minor in Public Administration will help equip student with these competencies:

- Ability to lead and motivate others
- Community resource identification
- Ability to analyze the effects of societal trends on programs & projects
- Skills in collaborating with multiple organizations
- Program planning and evaluation
