

This form is to submit your responses to the Clinical Questions for an applicant to the University of North Texas Master of Science (M.S.) in Speech-Language Pathology Program. Please note that your responses to the Clinical Questions should be both complete and concise. Responses have a 500 word limit per question.

In order to complete this form, you will need:

- Your 8-digit UNT ID number
- Your responses to the following three prompts:

Clinical Question 1: *What is your primary goal for applying to the Speech Language Pathology graduate program at UNT? How have you prepared to meet this goal? Have you explored, been exposed to, or have experience in the field of speech-language pathology and if so, how?*

Clinical Question 2: *Describe an interest of yours where you are part of a larger community or group. How long have you been involved? How have you contributed to this group? What have you learned from your participation?*

Clinical Question 3: *Describe a challenging situation you have faced. How did you deal with the situation? Did you turn to anyone for help? In hindsight, would you do anything differently?*

After completion of the clinical questions, you will need to upload this document to your MyUNT portal. If you need additional assistance with the submission of your responses, please contact Toulouse Graduate School at (940) 565-2383 or GraduateSchool@unt.edu
