

BS IN SPEECH LANGUAGE PATHOLOGY & AUDIOLOGY ACADEMIC MAP

The bachelor’s degree is a pre-professional degree for persons wishing to pursue graduate study in speech-language pathology and audiology. The pre-professional program provides basic preparation in the normal development and functioning of speech, language, and hearing, and introductory courses concerned with communication disorders and appropriate remedial procedures. Clinical activities are scheduled concurrently with academic progress and involve diagnostic and therapeutic interaction with speech, language and hearing handicapped individuals under closely supervised conditions
